- Colors: Camo Black, Camo Blue, Black, Red, White, Yellow, Aqua Green

### BC-700 Explorer

- Heavy duty 600 denier polyester on the main construction & exterior.
- High quality 1000 denier nylon /PU for the bladder.
- Three dump-valve, two upper over pressure valves at the shoulders with rapid exhaust features, on lower right back side manual dump valve for easy venting of the air cell.
- Quick release weight system
- Harness be reinforced and bulk padded inside.
- Power inflator of both dump valve and over pressure relief.
- D-ring / clip: 2" plastic D-ring x 6 & 1.5" plastic D-ring x 2.
- Back pack: Ergonomic design, padded, cylinder stabilizer plate.
- Upgrade 3D soft back pad for more comfortable wearing.
- Height adjustment shoulder strap and quick release buckle.
- Waist band quick release adjustable suspension strap buckle.
- Added two weight pouch at the rear of BCD with adjustable Velcro closure.
- 2 Mezzanine Multi-pocket for Octopus & Gauge
- CE EN1809:2014+A1:2016 standard approved.
